21ST INTERNATIONAL CONFERENCE ON Thermal Science and Engineering of Serbia

OCT 22-25
SERBIA

Dear colleagues,

Department of Thermal Engineering of the Faculty of Mechanical Engineering in Niš and the Society of Thermal Engineers of Serbia, continuing scientific research in the field of Energy – Efficiency – Ecology – Economy, organize the International Conference on Thermal Science and Engineering of Serbia – SIMTERM 2024, under the patronage of the Ministry of Education, Science and Technological Development of the Republic of Serbia.

It is expected that SIMTERM 2024 will gather researchers, engineers, experts, representatives of local and central government and companies from Serbia and abroad, interested in the exchange of scientific and practical information and experience from the thematic fields.

We are inviting you and looking forward to your participation in the 21st International Conference on Thermal Science and Engineering of Serbia.

CONFERENCE TOPICS

1. Energy sources and potentials
2. Renewable energy sources
3. Decarbonization
4. Community, Police & Local Energy
5. Environmental protection
6. Water, air, and soil quality management
7. Low carbon economy
8. Technologies and plants
9. Energy efficiency in industry, civil engineering, communal systems, and traffic
10. Testing of operating plants
11. Experimental investigation of processes
12. Automatics and control of processes, equipment, and plants, FEMA
13. Flow, heat and mass transfer, combustion
14. Mathematical modeling and numerical simulation
15. Energy management
16. Innovative technologies in energy

President of the Organizing Committee
Prof. Mirjana Laković, PhD

PAPER SUBMISSION

All papers received by the deadline will be included in the process of the first reviews. For each paper, the reviewers will define in which category the paper is accepted:

- In the CONFERENCE PAPER category (printed in the Proceedings, after the presentation at the Conference)
- In the ARCHIVAL PAPER category (printed in the Proceedings, after the presentation at the Conference and referred to further review by one of the partner journals)

All papers submitted after May 26th 2024 will be reviewed, but only as CONFERENCE PAPER (without the possibility of referring to special issue of the journal).

Papers should be submitted to simterm@masfak.ni.ac.rs
